

Two interactive  
CME/CEU workshops by

**Sangeeta Pati, MD FACOG**

at Orlando World Center Marriott on October 1 & 2

## HORMONE RESTORATIVE THERAPY IN WOMEN AND MEN: SCIENCE AND CASE APPLICATIONS

*Bio-identical Hormones, Nutrients, Detoxification, Mind and Body Balance*

SANGEETA PATI, MD, FACOG, is acknowledged as the leading international medical authority and physician educator on bio-identical hormones. She graduated at the top of her class at the University of Maryland Medical School, Baltimore, and did her internship at Georgetown Medical School, Washington, D.C. She is Board Certified by both the American Academy of Anti-Aging and Obstetrics and Gynecology. She is the director of a fully pre-booked clinical preceptor program which trains doctors and health practitioners in restoring optimal body function through protocols for hormonal balance, nutrition and detoxification.

### WORKSHOP 1:

**Saturday, October 1, 2011  
9:00 a.m. - 4:00 p.m.**

**BASIC PROTOCOLS AND CASES  
Estrogens, Progesterone, Testosterone,  
Thyroid, DHEA, Melatonin,  
and Growth HORMONE**

**A comprehensive review of hormones.**

This interactive-style workshop will cover:

The science and research behind each hormone  
The different routes of administration/and  
various forms for specific symptoms and  
conditions

Basic case studies will integrate the use of  
all hormones

6 CME Category 1 AMA/PRA Credits  
6 AANP CEU Hours

Early Bird deadline is September 1<sup>st</sup>.

### WORKSHOP 2:

**Sunday, October 2nd, 2011  
9:00 a.m. - 4:00 p.m**

**ADVANCED PROTOCOLS AND CASES  
Adrenal Fatigue, Nutrition  
and detoxification**

This interactive-style workshop will cover the  
science and application of the following through  
illustrative cases:

- Adrenal insufficiency and adrenal fatigue
- Nutritional Protocols for diet (Plant-based and Superfood Programs), supplement options and measurement of nutritional status
- Detoxification Protocols for bowel, liver, kidney and gallbladder
- New interventions
- Advanced case studies to put it all together

*Expect an emphasis on case studies which will integrate the information from Workshop 1 and Workshop 2. Mind and Body interventions are addressed in most cases.*

6 CME Category 1 AMA/PRA Credits  
6 AANP CEU Hours

Early bird deadline is September 1<sup>st</sup>.

The workshops will consist of 3-4 didactic sessions, each followed by illustrative case studies and question-answer sessions. You will be provided with a full set of slides and articles both on DVD and hard copy.

\$499 per workshop or attend both workshops for \$799  
**Register before September 1, 2011 and save \$100**  
Location: Orlando World Center Marriott; Orlando, Florida

SPACE IS LIMITED.
