Re: Pati, Sangeeta, M.D.

To whom it may concern;

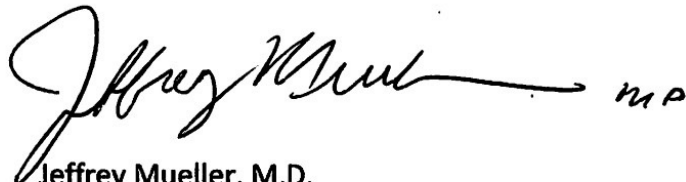

I am writing on behalf of Dr. Pati to provide both a personal and professional reference. I have known Dr. Pati for approximately 11 years. For a portion of that time I worked directly with her at Sajune, her clinical practice here in Orlando.

Dr. Pati is a very bright physician with great character, integrity and passion for her chosen profession. During the time I have known and worked with her I have witnessed nothing but the utmost professionalism and outstanding patient care. Dr. Pati is on the leading edge as an integrative medical practitioner and also as a teaching professor and I have been fortunate to have had the opportunity to learn and train from someone of this caliber.

I highly recommend her and vouch for her character without reservation.

If I can be of any further assistance, please feel free to contact me through my medical practice, Whole Family Healthcare using the contact information below.

Best Regards,
